Crystal Hutchens is an Associate Attorney and the Firm Administrator for Rose Law Firm.

As an attorney, Crystal advises clients on a wide variety of business matters, including commercial agreements, compliance considerations, employment issues, and mergers & acquisitions and other corporate transactions.

Crystal's diverse background in business management, human resources, and accounting provide her with experience in approaching matters from the business owner's perspective. This insight allows her to help clients triage their legal issues while also considering the practical application to their business.

Crystal works with the Firm's robust network of experienced contract attorneys with diverse specialties to connect clients with the right legal resource to solve their problems.

Having been with Rose Law Firm since 2013, Crystal has grown with the Firm—first as the Firm Administrator and, for the last four years, as an attorney. She understands the big picture while also having a strong attention to detail – balancing the need to understand the context and importance of an issue with the need to manage critical details without getting lost in the weeds.

In her role as Firm Administrator, Crystal supports the Firm President in providing leadership, strategic direction, and oversight of the administrative operations of the Firm. Crystal leads the implementation of strategic objectives that advance the firm's vision in alignment with the firm's values.

Crystal graduated cum laude from Lewis & Clark Law School, with a certificate in General Business Law.

Outside of work Crystal enjoys spending time with her family, playing softball, hiking, running, and playing fetch with her dogs, reading, and discovering new board games.
